Important information about the address for service

If we need to write to an owner, a mortgage lender or other party who has an interest noted in the register, we will write to them at their address shown in the register. We will also use this address if we need to issue any formal notice to an owner or other party as a result of an application being made. Notices are often sent as a safeguard against fraud so it is important that this address is correct and up-to-date. If it is not, the property owner or other party may not receive our letter or notice and could suffer a loss as a result.

Up to three addresses for service can be entered in the register. At least one of these must be a postal address, but this does not have to be in the United Kingdom; the other two may be a DX address, a UK or overseas postal address or an email address.

Please let us know at once of any changes to an address for service.

For information on how a property owner can apply to change their contact details or add an address, please see www.gov.uk/government/publications/updating-registered-owners-contact-address on GOV.UK (or search for "COG1") or contact HM Land Registry Customer Support (0300 006 0411) (0300 006 0422 for Welsh speakers service) from Monday to Friday between 8am and 5pm.

If you require this correspondence in an alternative format, please let us know.
