Good morning,

As I've already stated, Careys/BDL were responsible for most of the problems with 25 Abbots Road, and the original fix to the other property on Colt View was appalling.

I do not want a company with a track record of poor standards working on this.

Thank you for confirming this.

I do have a further question. I noticed that Careys/BDL were outside the house on Colt View having the render done for the second time. Careys/BDL were responsible for the majority of issues at 25 Abbots Road and I have no confidence in their ability to do this properly, especially after seeing how badly the other house was done as a fix. Please could you confirm that they were there for other reasons than the render.

Many thanks,
Mr Taylor

Your enquiry has been discussed further with the team, and we can confirm that the scaffolding will be removed by the 24th of July.

Please confirm that you are happy for the scaffolding to be erected W/C 24th June, so we can book the works in.

Kind Regards

Good afternoon,

I would like confirmation that the scaffolding will be gone by July 24th, with an email from the scaffolding company that this will be the case.

If this can not be guaranteed then August 27th is the date after this that we can accommodate for the work to begin, and scaffolding erected.

I would be grateful for a response as soon as possible so that we can make arrangements.

I do hope that you are both well.

We would like to install the scaffolding W/C 24th June, possibly the Thursday 27th/Friday 29th June to be render for the contractors to attend W/C Monday 1st July.

Please can you confirm if these dates work for you so I can have the relevant trades involved booked in.

Thank you for your time.

Subject: [EXTERNAL] 10 Colt View - Render

Good morning,

Could you please confirm when the render will be replaced? We were told April, and I am concerned that there has been no resolution or communication from you regarding this matter.

I am mindful of the limited window we now have for the works to take place, considering the school holidays and the safety concerns of having scaffolding around the house with a child.

Please respond urgently to this matter.

Mrs. Taylor
